

Premier Thermoplastic Brake Lines

Flexible
 Non Corrosive Thermoplastic
 Working Pressure 3,000 PSI
 Brass Corrosion Resistance Fittings
 Meets All FMVSS 106 Requirements

Part Number	Description
PBL025	Brake Line, 25" Long With Male Fittings on Both Ends
PBL045	Brake Line, 45" Long With Male Fittings on Both Ends
PBL084	Brake Line, 84" Long With Male Fittings on Both Ends
PBL153	Brake Line, 153" Long With Male Fittings on Both Ends
PBL163	Brake Line, 163" Long With Male Fittings on Both Ends
PBL177	Brake Line, 177" Long With Male Fittings on Both Ends
PBL201	Brake Line, 201" Long With Male Fittings on Both Ends
PBL212	Brake Line, 212" Long With Male Fittings on Both Ends
PBL228	Brake Line, 228" Long With Male Fittings on Both Ends
PBL252	Brake Line, 252" Long With Male Fittings on Both Ends
PBL260	Brake Line, 260" Long With Male Fittings on Both Ends
PBLT	Three Way Brass Divider Block With Mounting Flange

Note: Custom Lengths Available
